If you are interested in finding out more about these travel teams, please contact one of the coaches. The coaches can give you an idea of the types of costs to expect, the typical training schedule of the team, advanced training opportunities available to the players and the potential tournaments the teams might be traveling to.

There are maximum roster limits allowed for each team so it is important that you notify Chad or Steve if you are interested in participating in the Summer travel program. Depending on the amount of players interested in participating, there could be the potential for tryouts. If there is a need for tryouts, they would occur in March, 2009.
